WHEN Secretary Endicat issued his order sending officers on special duty to their regiments, he made a provise that only 'in special cases' would an excertion be made. He probably did not suspect what others knew, that every of the officers affected by the order was a special case of exemption, and would appeal to this face as showing that he had a prima facle excuse for not going to the frontiers olde with his regiment. However this may be, the exemption have begun a person of wealth and high sociaand one officer has already secured standing. Her feet were very dainty the privilege of attending next winter's hops in Washington. This will inspire hope atl along the line and we may shortly expect to hear of other exempts.

THE policy of England has so long been one of free trade, that a the river. There were no marks at all good deal of preparation will be necessary before the English mind is worked up to the point of demanding protection for the English manufacturers. There are however, some symptoms that proteetion is to be talked up as the proper policy to be pursued hereafter. There is no strong probability though, that any such policy will the past is, to the average Briton, a good reason for its continuance in the future.

The friends of the rustlers, incensed at McEntire getting out on bond, determined to get even with Wilson and his friends. Tuesday night one week ago, while the game was at its height, the conf-derates of the restlers, a dozen or so, called with their Winchester rifles and took \$5,100 all the money they had, and told them to skip out, which they lost no time is

A River Mysters

Louisvina, Aug., 20. Vesterday afternoon a fisherman saw the body of a woman fluxting in the river at Six Mile Island. An examination showed the corpse to be that of a beautiful girl not more than 18 years old. She was dressed in a white mull dress, trimmed at the neet and arms with rich beer and at her throat was pinned a coral broach set with pearls On the third finger of her right hand was a beautiful d amond ving of odd design. Her underelothing was of the firest linen and her stockings of rich
